Each will pay fees, which are required by these organizations, and they will also provide a soccer program that will benefit amateur players in Louisiana. Clubs will have an administrative board and will set their own fees. Clubs should forward copies of their constitution, by-laws and governing rules to LSA as they are changed.

The Adult Division will be funded by player registration fees, program fees, sponsorship, etc. The funds will be used for the needs of the Adult Division, to provide information to the clubs and provide programs for the players. Programs available are:

401 PLAYER REGISTRATION

ADULT PLAYERS are to be registered with LSA, through their local associations/clubs, by using the following procedures.

NO INDIVIDUAL TEAMS OR CLUBS WILL REGISTER DIRECTLY WITH LSA EXCEPT THE U23 CLUB.

At the conclusion of registration and prior to club play, the following should be submitted to the LSA Office:

A. REGISTRATION FORM

Adult Division players, which can include youth players playing in adult trial games, will be registered on *United States Amateur Soccer Division Registration Forms*. The form includes the LSA liability waiver and a waiver section that is to be signed which declares the registering player has paid for mandatory medical insurance. **NO OTHER REGISTRATION FORM WILL BE ACCEPTABLE.** Each registrar/commissioner will be provided with a supply of these forms. Copies can be made when needed, provided the copies are clear and easily readable. Registration forms are to be completed with the player signing the liability waiver and again at the bottom of the form on the signature line. When an adult player transfers to another team within the same soccer year, a Transfer request is made with applicable fees and processed by LSA.

B. TEAM ROSTER FORMS

Twenty-two (22) players will be allowed to register for club play; and twenty-two (22) players will be allowed to participate in any game. The roster is to be typed or legibly printed in **BLACK** ink. LSA Adult Division rules will permit multiple-registration of a player, but will require that the player declares a primary team. A player will be allowed to register with one Open team, one Over-30 team, one Coed team, etc. A player who will be registered to play on more than one team must complete a separate registration form for each team he/she will be playing for and pay the appropriate fee for each level of play he/she will be registered to play. The player(s) should be added to the team's roster and sent to the club registrar/commissioner. *Player Registration Forms*, fees and an *Adult Division Payment Form* must be forwarded to LSA from the club. This must be done prior to participation by any player(s) in a game. The date a roster has been received in the LSA Office will become the player's(s') official date of registration. A roster will then be stamped, dated, and entered into the LSA computer system. Computer-generated rosters will be returned to the club registrar, and the computer-generated rosters will become the official team rosters. Each roster submitted to LSA by a club/association should be checked and verified by its club registrar/commissioner. If there should be a discrepancy, the club registrar/commissioner is to make corrections in **RED** ink, and return the corrected roster(s) to the LSA Office.

SEE POLICY 402-1

C. USASA PLAYER PASSES

The *USASA Player Pass* will be mandatory for every LSA Adult Division player. **NO ONE** will be allowed to play without a pass except when approved by a local club. The player pass must bear a passport-size photograph of the registering player (**NO PHOTOCOPIES OF PHOTOGRAPHS WILL BE ACCEPTED**), and show the player's ID number. Passes will be issued by the club registrar/commissioner upon completion of the registration process. The club registrar/commissioner should have signed the pass in the appropriate place on the reverse side of the card. A player should return the player pass to the registrar/commissioner when he/she leaves a team. **Passes must be laminated.** Returning players can use a pass from a previous but recent playing season, and it must be updated by the club registrar/commissioner with a current year registration sticker that is placed on the reverse of the card. Passes, stickers, and laminating pockets can be obtained from the LSA Office upon request.

404 YOUTH PLAYERS ON ADULT TEAMS

The US Soccer Section 5 concerning youth players registered on adult teams states that a youth player will be permitted to play an unlimited number of adult games without losing his/her youth eligibility. A youth player who signs an adult form shall retain youth eligibility as long as **youth games take precedence over any adult games**. The youth player must notify his or her youth coach or other authorized team official of the player's intention to play adult games.

A youth player playing on both a youth team and an adult team will be required to pay mandatory insurance for **BOTH** levels. An injury would be covered by the insurance of the level of competition the player was involved in at the time of the injury.

405 GUEST PLAYERS

Guest players will not be allowed when playing interclub/intraclub play except as follows: Guest players will be allowed for interclub play from women's clubs **ONLY**, as long as players are registered at the same level of competition (i.e. women's open, women's over-30, women's over-40). Guest players will be allowed intraclub for women **ONLY**, if the teams/clubs permit it; and if the same stipulations for interclub play are followed. Rules restricting the use of guest players will be waived when a team will be playing a competition (i.e. tournament) allowing guest players. Guest players can only be used for a competition if teams/clubs permit it.

No guest players are allowed at LSA State Adult Cup, Regional or National Competitions. Players must be on an LSA-approved, registered team that will be entering the competitions.

No paperwork will need to be sent to LSA unless the competition will be played out-of-state. When planning to play out-of-state, a current team roster, with guest players indicated on that roster should be sent to LSA. An *Application to Travel Form* must accompany the team tournament roster when it is mailed to LSA. The player pass of any player planning to play as a guest player on a team should temporarily reflect that this player is a guest player.

406 PLAYER RELEASE / TRANSFER

An adult player will be bound to the team he/she registered to play with for a playing season as long as the playing season does not exceed one seasonal year (September 1 through August 31). A player wishing to transfer to another team can do so by paying the set transfer fee and completing an Adult-Transfer Form. The transferring player's player pass must be updated by the club registrar/commissioner to reflect a transfer to another team. Permission may have to be obtained to transfer, if a club requires it.

LSA will allow a player to transfer from one team to another or from one club to another as long as:

1. The player is in good standing (no violations, no owed monies) with LSA, and the club granting release.
2. Club/team transfer rules are upheld.

A. PROCEDURES TO REQUEST TRANSFER:

1. Request permission to transfer from team/ club by using a *Player Transfer/Release Form* (See **Section 415 Forms** in this manual).
2. Pay the current and approved transfer fee to LSA.

The club registrar/commissioner will send LSA an *Add/Drop Form*. LSA will remove the player's name from the roster of the old team, and add the player's name to the roster of the team the player is transferring to. LSA will then update its computer files.

Release/transfer of players will be approved at the local club level. State approval will not be required unless the player is not in good standing with LSA.

B. FOREIGN AND OUT-OF-STATE PLAYERS – *USSF Policy 601-6*

Players from another National youth or adult state association, professional club or foreign country must obtain clearance papers, or a release signed by the official registration chairman or secretary of the foreign association, out-of-state association or professional club registrar before they will be allowed to register for a team in this Federation/Association (except for players in the armed forces). Temporary permission to register and play, pending a proper release, may be granted by the Federation Secretary upon payment of the applicable fee. The Secretary will inform, and send a copy of the request for permission to play to the National State Association or the professional club for which the player desires to play. A copy of the player's release document must be sent to LSA, along with a registration form and the appropriate player fees.

407 MULTIPLE-REGISTRATION

The LSA Adult Division will allow multiple registrations of adult players.

An adult player may register and play on more than one team and within more than one club as long as the teams are not in the same competition level (i.e. two Over-30 teams or two Open teams). A player can multiple-register on one team in each of the following competitions: Open, Over-30, Over-40, Over-30 Coed, Coed Open, etc. A player registration form and applicable player fees will be required for each team the player will play on. Mandatory medical insurance will be paid only **ONCE** annually, regardless of the number of teams a player will be registered to play with.

Multiple-registration requires a player to name a primary team. Participating in play with the primary team will take precedence over any other team(s) the player will be registered to play with. At the time of State Competition, the player **MUST** play for his/her primary team unless the competitions will be held on different weekends. If the date should be different, a player would be able to play on more than one of the teams he/she would be registered with. Should both of the player's teams win the State Cup, and he/she would want to participate in the Regional Competitions, the player **MUST** play with the primary team. The USASA Region III does not allow a player to play on more than one team during these competitions. (See **Section 414 ADULT STATE CHAMPIONSHIP RULES** in this manual for more information on Multiple-Registration).

408 INSURANCE

A. MANDATORY MEDICAL INSURANCE

1. Each adult player, regardless of the number of teams the player is registered to play for, must pay for the USASA Medical Insurance coverage at a one-time, per year cost set annually by US Soccer and USASA. A section for the payment of the insurance has been added to the *Adult Division Payment Form*. Because an adult player can register for more than one team, proof that payment for the insurance has been made from each player must be indicated on the roster when it is submitted to the local clubs and LSA.
2. Fees for payment of medical insurance will be reviewed and possibly changed annually by USASA.

B. LIABILITY

Information on the liability insurance policy held by LSA can be obtained upon request from the LSA Office Administrator.

An adult team wishing to travel out-of-state must complete an *Adult Application to Travel Form* and submit it, along with a team tournament roster **and \$5.00 fee** to the LSA Office for processing. Requests for travel should be made at least **TWO (2) WEEKS** prior to travel in order to give the LSA Office time to process the form. The *Amateur Application to Travel Form* can be requested from local club registrar/commissioner and obtained from the LSA Office. It will be the responsibility of the team wishing to travel and their respective club to get the *Adult Application to Travel Form* completed and submitted in a timely manner. **LSA WILL NOT USE EXPRESS MAIL SERVICES OR FAX** to expedite issuance of the permit. Travel forms will normally be processed, if all information is correctly submitted, on the day they are received as long as the application has been received during the regular working week.

B. TRAVEL TO TOURNAMENT

A team intending to travel to an out-of-state event must first submit a completed *Adult Application to Travel Form*, accompanied by the hosting organization's approved *Application to Host* or their *Official Letter of Invitation* to the LSA Office. Every State Association should have documentation, which shows that they have been sanctioned by their State Association to hold the tournament. The team roster must be signed by the team representative and stamped by the local club registrar/commissioner as being an official and approved roster. **No rosters previously submitted for other tournaments will be accepted. An *Application to Travel* will be required for each tournament that a team will be participating in.**
4. After paperwork has been checked by the LSA Office and the submitted information is known to be correct, the LSA Office Administrator will approve the permit, sign it and affix the LSA seal on it. A copy will be sent to the team representative/coach and a roster will be forwarded to the Tournament Director.

410 HOSTING TOURNAMENTS

Clubs/associations wanting to host a tournament or a friendly game, where US Soccer-registered, affiliated teams will be participating, must submit an *Application to Host Form* to LSA. The form can be obtained by interested groups from the LSA Office through their club administrator/coordinator. **No tournament will be sanctioned by LSA unless this form has been completed and submitted to the LSA Office prior to sending out notices for the event.** This form must also be furnished to out-of-state/foreign teams wishing to participate so these teams can submit the proper paperwork to their home associations for approval.

After obtaining permission to play with the secondary team, the request should be submitted to the appropriate Adult Commissioner – Men or Women c/o LSA – Adult Division for approval. If approved, the player(s) would be free to play on his/her (their) secondary team.

All teams planning to enter the Championship must pay a non-refundable entry fee, and complete and submit the entry form no less than thirty (30) days prior to the tournament. Each team must post a performance bond. To do so, the team will be required to present a separate check or money order in the amount set by LSA, made payable to their local club. The club will issue a final check, made payable to LSA. Failure of a team to play all scheduled games in the tournament will be cause for that team to relinquish all entry fees and the performance bond. Also, the team will not be allowed to participate in the following year's Championship competition.

The roster on file with the LSA Office at the time of the deadline set by the Tournament Director, will be the official team roster for a team entering the state championship tournament. A maximum of twenty-two (22) players will be allowed on the roster. On the day of the tournament, a team will be allowed to use **ANY** of the registered players from its approved roster. (See **Section 402 Player Registration**).

All players shall be required to carry a US Soccer Adult Division-approved and **LAMINATED** player pass which must bear a recognizable photograph of the participating player (**NO PHOTOCOPIES OF PHOTOGRAPHS WILL BE ACCEPTED**) and show a player ID number (usually a player's Social Security Number). Before each scheduled game, passes must be presented to an appointed official of the Championship Tournament Committee, and the official will check the passes against the team roster that had been submitted to LSA prior to the tournament. Each player will also be identified with his/her player pass. Player passes, of players scheduled to play, are then to be presented to the assigned game official prior to each game.

B. COMPETITION ADMINISTRATION

The LSA – AD officers or their designated representative(s) shall be responsible for administration of the Championship.

C. FORMAT OF THE COMPETITION

The tournament will be held one weekend, whenever possible. Modification of the competition format can be made by the Adult Council if there is lack of participation, cancellations, inclement weather conditions, etc. The format of the competition will be determined by the total number of teams officially entered. Whenever possible, teams will be divided into two or more brackets so as to be able to compete in round-robin play. Bracket winners will proceed to the semi-final and final rounds. If the number of teams entered prohibits division into multiple brackets, there will be one bracket and all games will be full-length.

D. DURATION OF GAMES

All round-robin games will consist of two (2) forty-five (45) minute halves for men's games and two (2) thirty-five (35) minute halves for women's games. **There will no overtime in round-robin play.** The LSA Tournament Committee has the right to, and can change the lengths of times of halves of State Championship games. Halves cannot be changed to be less than two (2) thirty-five (35) minute halves, and the duration of the halves will be determined by the number of teams participating in a bracket. A change would only be made after consultation and agreement of the Adult Tournament Referee Committee. Semi-finals and finals will consist of two (2) forty-five (45) minute halves. In the case of a tie game, two (2) fifteen (15) minute overtime periods will be played to determine a winner. If a tie should still exist after the conclusion of overtime play, FIFA penalty kicks will be used to break the tie. If a game is stopped due to circumstances beyond the control of either participating team, the game shall be considered completed as long as one entire half of the game has been completed.

E. FORFEITS

A team guilty of using an ineligible player shall forfeit the game in which that player was played. A team shall forfeit a game for failure to comply with the rules of the Championship. The score will be recorded as 1-0 for the opposing team. Exceptions to this rule can only be made by LSA – AD. Failure of a team to attend/participate in the Championship will cause the team to relinquish its entry fee and the posted performance bond. In addition to the forfeiture of all monies submitted by the team, other penalties and/or sanctions can be taken by the Adult Council against the violating team.

F. GRACE PERIOD

A team not ready to start play a scheduled game (i.e. a team is unable to field a team with at least seven (7) players at the scheduled game time) shall be granted a fifteen (15) minute grace period. If the team will not be able to start play at the end of the granted grace period, the game will be deemed a forfeit by the team unable to field a complete team. The prepared team will be awarded a win, and the unprepared team a loss. The main game official shall note the game as a forfeit on his/her tournament game report. Only the Tournament Director can extend the grace period if he/she feels there are extenuating circumstances to do so.

G. TEAM UNIFORMS

Participating teams, when possible must have two (2) sets of jerseys with each set of jerseys being of a different color, and each jersey marked with a clearly visible number on the back. When there is a conflict of jersey colors of two competing teams, the home team, as designated on the game schedule, will change jerseys.

H. SUBSTITUTIONS

Unlimited substitutions shall be allowed, at the discretion of the referee, by the team taking a throw-in, and by either team prior to a goal kick, after a goal, after an injury, or at half-time.

J. PLAYER AND TEAM MISCONDUCT

A player sent-off must sit out the remainder of the game he/she was sent-off, in addition to the next tournament game. If it was the player's second tournament send-off, the player **WILL NOT** be allowed to participate in the remainder of the tournament. **No substitution will be allowed for a player who is sent-off.** If a player or coach has been disciplined by the game official and was asked to leave this site, and the player or coach refuses to comply, this could be cause for the offending player's or coach's team to forfeit the game. The decision will be made by LSA – AD. A player or coach who persists in misconduct after being sent-off from a game might subject his/her team to forfeiture of that game. The decision will be made by LSA – AD. When a game has been terminated because of team misconduct, the score at the time of termination will stand. If the violating team was ahead, the score will be recorded as a 1-0 win in favor of the opposing team. The team guilty of misconduct will be disqualified from the Championship. Any send-offs in the terminated game will be subject to the penalties listed in **Section 412:H Under-23 Clubs**. If a team does not complete all of its schedule tournament games for any reason other than an official cancellation, inclement weather, etc. that team will not be allowed to participate in the LSA Adult State Championship the following year. Also, **NO** team, who has failed to compete in the state tournament after having applied to do so, will be allowed to compete with a team composed of any eight (8) members of this same team in the Championship the following year.
