 5. Additional teams in order of finish in Premier State Cup.

A team (as used above) is defined as having 50% of the players from the previous year's Premier State Cup roster plus one player.

The roster freeze date for U11 through U19 **Premier** teams is the Monday of the week preceding the week of the start of the Premier State Cup for the age group, unless an age group advances to

Regionals by virtue of being the only team in its age group; in this case the roster freeze date will be set by the Premier Commissioner. Brackets will not be realigned for any team dropping out after the roster freeze date, all games for the team will be recorded as forfeits.

5. Eligibility of Verification Form

Eligibility Verification Form must be turned in at check in for Premier State Cup.

6. Rules of Play

All Rules of Play shall be in accordance with Policy 310:C. General Tournament Rules. Every effort will be made to play all games in those State Cups where teams will not advance to Regionals.

For age groups subject to National Championship Rules this does not apply and play-in games will be used if there are more than 16 teams in an age group.

Premier Commissioner is given the authority to modify the format of Premier State Cup in certain circumstances where all effected parties are in agreement.

Consolation matches will be played at the Premier State Cup for ages U13 and older to determine the 3rd place team for the Sub-Regional Premier League. Failure of one team to participate will result in that team being determined the 4th place finisher in the State. Failure of both teams to participate will result in these teams being ineligible for the next year's Central Sub-Regional League.

No consolation matches will be played for age groups with 4 teams, as teams finishing third and fourth will be determined on the preliminary weekend.

8. Premier State Cup Referee Assignment

Once tournament locations are determined no other games, adult or recreational, can be assigned in that metropolitan area on tournament dates until all State Tournament games have been assigned. Host sites are responsible to assign referees. Until all referee assignments for Sub-Regional Premier League games are completed no other games can be assigned at the host site.
